

Brooksville Business Alliance

September Newsletter

Greetings Members,

October is almost here and besides our regular routines, most of us will be participating and celebrating Brooksville 150th birthday, A.K.A., Founder's Week.

In brief, I'd like to remind you of Brooksville Business Alliance comings and goings.

1) Karen Phillips from City of Brooksville suggested that we decorate our store fronts for Founder's Week.

2) The membership meeting is October 12th at 5:30, as always, the 2nd Thursday of the month at Hungry Thyme Cafe, unless noted otherwise.

3) Brooksville City Hall, Creative Porch & Garden, Easy Street Home Decor, Home At Sea, Jo's Country Corner and Sally Ann's are collecting used eyeglasses for the Gift of Sight Foundation in conjunction with LensCrafters and Lions Clubs International from Sept. 30th - Oct. 31st. The glasses will be cleaned, repaired and classified and then hand delivered to people in developing countries. Please pass the word around, let people know they can find out more about this at www.givethethegiftofsight.com or www.brooksvillebusiness.com.

4) The October 21st Market on Main Street, besides our regular vendors with produce, shrubs, antiques and crafts, we will be having several local artists demonstrating their work. We will also be hosting a decorated pumpkin contest with prizes, Toys R Us Certificated, candy, ribbons, etc. At the last Market, we had 39 spaces rented. It was a wonderful turnout as people enjoyed a day of shopping and eating in Brooksville.

Our website is up and Alliance members are adding their websites, banners and splash pages daily. We all pay for this, please use it. Call or e-mail Dave Curtis with any changes you may want to make or with anything you would like added to the calendar. You are get two changes per month as well as being on the location map and in the directory.

If I've forgotten anything, please give me a call at (352) 350-8948.

Thanks and have a great month.

Sally Petrie
